## WORKPLACE GIVING

**BALLARAT FOUNDATION  
UNITED WAY**

# WHY WORKPLACE GIVING?

## WE WANT TO CREATE A BETTER BALLARAT

Every dollar donated to Ballarat Foundation United Way Inc stays in the Ballarat community and helps us to support community members who are hungry, homeless or need a helping hand to succeed.

Each year the Ballarat Foundation grants more than \$300,000 to local charities and community organisations to reduce food and housing insecurity and support women fleeing family violence. We deliver hundreds of Back to School vouchers, deliver free books to children aged under five and help young people achieve a licence through the TAC L2P program. We support new and emerging projects aiming to reduce the impacts of mental health.

Along with fundraising events, community appeals and general donations, Workplace Giving donations make an important contribution to our ability to continue our work.

# BENEFITS OF THE PROGRAM?

## BENEFITS TO BUSINESS

Our Workplace Giving program allows your organisation to give back to the community while meeting your corporate social responsibility goals.

The program boosts morale, encourages teamwork, and promotes positive values that enhance your public profile.

## BENEFITS TO EMPLOYEES

By joining the Workplace Giving program, employees receive a number of benefits, including:

- The opportunity to make a positive and meaningful contribution to the local community
- The convenience of regular giving via a simple payroll deduction
- Assurance that all contributions go back to the local community and assist those most in need
- Team building experience by sharing in a positive, inclusive workplace program

# HOW DOES THE PROGRAM OPERATE?

## EMPLOYEES CHOOSE HOW MUCH TO DONATE

From as little as \$5 or \$10 per pay, employees can join hundreds of other workers who donate to the Ballarat Foundation's Workplace Giving Program.

Each employee can choose how much they want to donate; it can be as little as the cost of a cup of coffee or much more - it's up to the individual!

## ACCOUNTANTS WILL LOVE IT!

Workplace Giving donations come out of an employee's pre-tax salary so they receive the tax benefit straight away rather than waiting until the end of financial year.

The donation amount will appear automatically in an employee's annual Payment Summary.

## IT'S SIMPLE TO SET UP

All an employee needs to do is complete the deduction form and then the workplace's payroll department will begin to automatically transfer donations to the Ballarat Foundation.

Employees who provide an email address will receive regular updates on the impact of their generosity.

## WE COME TO YOU

As a Workplace Giving Program participant, the Ballarat Foundation will work closely with you, offering the following services:

- A Workplace Giving Coordinator as your organisation's liaison with The Ballarat Foundation
- Upon request, a presentation to your staff about the Program and regular subsequent presentations for new staff
- The Ballarat Foundation will keep supporters up to date with news and information about how their contributions are helping our community
