

## 1.0 PURPOSE

The Ballarat Innovation Grant program is an annual grants program delivered by Ballarat Foundation United Way Inc. (the Ballarat Foundation), in a bid to find new ways to break the cycle of disadvantage within Ballarat and surrounding areas.

It is funded jointly by contributions from the community and through distributions from the Ballarat Foundation Community Sub-Funds.

The program distributes a single grant of up to \$50,000 to community groups with a new or innovative project or program which has been operating for less than 12 months (at 30 June 2022) which supports at least one of the Ballarat Foundation's four pillars of focus:

Early Childhood	Youth Success	Housing Security	Food Security
• <i>'Every child enters school ready to learn and with an opportunity to prosper'</i>	• <i>'Every young person has the skills and opportunities to prosper in employment'</i>	• <i>'Every child, person or family has the security of a home'</i>	• <i>'Every child, person or family has continuous access to safe and nutritious food'</i>

Unlike the Community Impact Grant program, the Ballarat Innovation Grant program will support funding of wages and startup costs – please see further details below.
